Newark Lodge No. 83, Newark, New York (ref. also Newark No. 389 – Country Lodge)

WARRANT: The warrant under which the Lodge has always worked was issued June 5, 1824, and bears the signature of JOSEPH ENOS, Grand Master.

The first officers were JAMES P. BARTLE, Master; THEODORE PARTRIDGE, Senior Warden; JOSEPH P. ROBERTS, Junior Warden.

The minutes are not intact. Its name or number has never been changed.

The first meeting held for the purpose of organizing the Lodge was held in the hotel of JOHN BARSE on February 11, 1824, under a

dispensation of the same date. At this meeting JAMES P. BARTLE was elected Master; THEODORE PARTRIDGE, Senior Warden; JOSEPH P. ROBERTS, Junior Warden; JOSEPH A. MILLER, Treasurer; ARTEMUS DOANE, Secretary; CALEB P. TIBBETTS, Senior Deacon; ABRAHAM FAIRCHILD, Junior Deacon; JOSEPH TIBBETTS and BENJAMIN CHITTENDEN, Stewards; JOHN BARSE, Tiler. In addition to the above at this meeting were WILLIAM POPPLE, RUFUS ANDREWS and JOHN DAGGETT. The second meeting was held February 18th, when a code of by-laws was adopted and five petitions for initiation were received. While working under dispensation nineteen candidates were initiated. The Lodge was instituted and dedicated on July 21, 1824, by OLIVER ALLEN, acting as Grand Master; a sermon was delivered by Rev. BRO. MORGAN and an address by Rev. SAMUEL W. BRACE.

The Lodge continued to meet regularly and prospered; the first year thirty-three names were added to its roll of membership.

The first election under the charter was held 1 Dec 1824, when the following officers were elected: JAMES P. BARTLE, Master; THEODORE. PARTRIDGE, Senior Warden; JOHN DAGGETT, Junior Warden; JOSEPH A. MILLER, Treasurer; ARTEMUS DOANE, Secretary.

From 1829 to 1847 no regular meetings were held; the charter was never surrendered, as the members occasionally assembled, and in the face of persecution and danger managed to maintain the legal existence of the Lodge.

The Morgan excitement was so intense at times that it was unsafe to meet except late at night, and the utmost secrecy was necessary to avoid trouble; even the fact of the existence of the Lodge was concealed.

No elections for officers were held; JAMES P. BARTLE, who was Master in 1829, erected a stone residence in the village, and he fitted up a room in the attic in which meetings were held for several years. During these troublesome and uncertain times no work was done, and no existing records throw any light upon the transactions of the Lodge; its history during these trying years is but a tradition. While no records exist, the fact remains that these noble men and loyal Masons had fortitude enough to brave the tide of persecution and sufficient courage to maintain and uphold the precious truths instilled into their minds at the altar of Freemasonry.

After the storm of persecution had abated, in 1847 the Lodge once more resumed its normal condition; meetings were regularly held in Odd Fellows' Hall until December 14, 1859, when the Masonic Hall, on the corner of Main and Palmyra Streets, was dedicated by M.'W.'. JOHN L. LEWIS, Grand Master: public services were held in the Presbyterian Church, where an address was delivered by the Grand Master.

The Lodge continued to grow, and on June 24, 1875, new and larger quarters were dedicated by R.'W.'. JOHN VANDENBURG, D.D., Grand Master of the Twenty-first Masonic District. A public meeting was held in the village park, the Lodge and visiting brethren were escorted to the park by Geneva and Zenobia Commanderies; the principal feature of the ceremonies in the park was an address by W.'. MARVIN I. GREENWOOD.

The festivities concluded with a dinner served by the ladies.

"Jubilee" services were held on April 24, 1889; the exercises consisted of vocal and instrumental music and addresses. A local newspaper in giving an account of the event said: "W.'. M. I. GREENWOOD delivered a stirring address, which was greatly enjoyed by those present. C. L. BENNETT read the minutes of the first meeting of the Lodge, held in 1824."

Prosperity continued with the Lodge, and in 1900 it again moved, this time to its present commodious quarters. On October 17, 1900, the corner-stone of the Public Library in the village of Newark was laid by M.'W.'. CHARLES W. MEAD, Grand Master; he was escorted to the site by the Lodge. The occasion attracted a large number of brethren from the surrounding country.

The building was erected by the munificence of HENRY C. REW of Chicago, who was a native of Newark.

The Lodge has upon its roll of membership seven clergymen, eight lawyers and ten physicians. With such an array of professional talent the spiritual as well as the temporal welfare of the members should be in a healthy condition.

The Lodge is also blessed with musical talent, having a trained choir of twenty voices. On 21 Dec 1904, the choir gave a public concert under the auspices of the Lodge; the entire proceeds of the concert, amounting to \$325, were placed in the hands of a village society, to be distributed as a Christmas offering to the poor; the Lodge-room was placed at the disposal of the society for the distribution of the gifts.

Several members of this Lodge participated in the War of 1812; a number also served in the Union army in the **Civil War**. Among those who gained distinction were:

ISAAC M. LUSK, Colonel, 111th N. Y. V.

JOHN DAGGETT (portrayed by David Honness)

My name was John Daggett. I was born near Albany, in 1793. At an early age, I moved with my parents to Chenango County. There I learned the wool-carding and cloth-dressing business. About 1820 I moved my young family to the new settlement of Newark - then known as Miller's Basin. As a good all-around mechanic and millwright, I easily found employment in this developing area.

In 1824, with **James P. Bartle** as a silent partner, I established a foundry for the manufacture of woolen machinery on what is now known as South Main St. The business later occupied larger quarters on East Union St., on the banks of the Erie Canal. At one time I employed over 100 men. My firm supplied woolen manufacturing equipment as far east as Utica, as well as Pennsylvania, Ohio and Canada. My company may well be considered Newark's most successful early industry.

In 1861, my son-in-law urged me to move my business to Scottsville, Virginia. At the end of the Civil War, the plant burned down, so in 1866 I moved back to Newark and reopened business in the East Union Street location. Although active in my business, I found time to give to other activities in the growing community of Newark. At the first election of the Village of Newark after its incorporation in 1853, I became a village trustee and was chosen by my four colleagues as their first president. I thus became Newark's first mayor.

My wife and I were the parents of 15 children. Two of my sons went to California during the gold rush. The youngest, John, Jr., became successful as part-owner of a gold mine. He served four years as Lieutenant Governor of California and later was superintendant of the U.S. Mint in San Francisco. My busy life ended at aged 75 in 1868, and I was buried in this modest grave.

COL. JAMES P. BARTLE (portrayed by Douglas Kraai)

My name was James P. Bartle. I was born in Greene County, New York in 1791. I served in the War of 1812 and held a colonel's commission in the N.Y. State Militia. In Newark I was always known as "Col. Bartle." As a young man, I moved westward with my parents - first to the Junius area; later to the village now known as Phelps. From there I moved to Newark in 1820.

I became the managing partner in the firm of Norton, Bartle & McNeil. Under my management, this firm became one of the best-known and most extensive business houses in western. We bought and shipped produce, built boats on the Erie Canal, and engaged in general merchantile trade. I built Newark's first store in 1822 and became its first merchant.

In 1824, I was elected Supervisor of the Town of Lyons. A year later, when the Town of Arcadia was formed from the Town of Lyons, I was elected Arcadia's first supervisor. I was reelected four times. I was Newark's first postmaster, a post I held for 18 years. I served a term in the N.Y. State Assembly.

I was a trustee in Newark's first library. The same year, 1824, I helped organize the Masonic Lodge in Newark. For several years, lodge meetings were held in my home, a cobblestone mansion, torn down when the present Middle School was built. In 1824, I became financial backer of **John Daggett** in a foundry which became Newark's first industry. My busy life ended with my death in 1863 at age 72.

"In 1834, a white oak tree was cut in this town, two miles west of Lyons, measuring 4 1/2 feet in diameter. In the body of the tree, about 3 1/2 feet from the ground, was found a large and deep cutting by an axe, severing the heart of the tree, and exhibiting with perfect distinctness the marks of the axe at the present time. The whole cavity thus created by the original cutting was found to be encased by 460 years' growth of the wood, i.e., it was concealed beneath 460 layers of the timber, which had grown over it subsequently to the cutting. Consequently the original cutting must have been in the year 1372, or 118 years before the discovery of America by Columbus. The tree was cut by **James P. Bartle** of Newark, a forwarding merchant, and the timber used by him in building the boat Newark, now belonging to the Detroit line. The cutting was at least six inches deep."

Marvin I. Greenwood, (b. 31 Jan 1840, Chittenango, Madison Co., NY; d. 27 Dec 1917) of Newark, Republican, district attorney in 1876, member of Assembly 1888-89 and 1910. He occupied a prominent position in the State Legislature as a member of the rules committee, the ways and means committee and chairman of excise. He was a man of commanding presence, a fine speaker and for twenty-five years was one of the prominent lawyers in the county and one of the influential Republican leaders. He practiced law at Newark under the firm name of Greenwood & Harris. He made an Address to the Grand Chapter of the state of New York, Albany, 4 Feb 1896. (He was Grand High Priest). **MARVIN I. GREENWOOD**, 33^o, was the son of Ira Greenwood and Clarissa Minerva Mosely. (Biography appears in the 1918 Proceedings, Supreme Council, A.A.S.R.)

**ROCHESTER, N. Y., Aug. 30.—Assem-
blyman Marvin I. Greenwood, Republi-
can, of Wayne County, has declined a re-
nomination. In a statement he says:**

**"I would not turn my hand over to go
to Albany again. I would not put in
another Winter like last Winter for the
world."**

Andrew C. Bartle, was born in Wayne county 2 Dec 1828, and received his higher education at the Genesee Wesleyan Seminary at Lima, and at Clinton Liberal Institute. In early life he served as clerk in a wholesale hardware store in New York city. In 1853 he came to Newark, and engaged in lumbering with B. F. WRIGHT, under the firm name of Bartle & Wright, which continued two years. From 1855 to 1868 he carried on the business alone in Newark with a branch in Clyde, then took as partner Mr. Eames, this firm still continuing in Newark. May 10, 1854, he married Mary A. MULFORD, of Hulberton, Orleans couty, they have one daughter, Charlotte.

Mr. Bartle's father, **James P. Bartle**, was born in Freehold, Greene, 3 Jul 1791, and was a colonel in the war of 1812. While a young man he came to Newark, and married Louisa B. McNEIL, of Deerfield, Oneida county, by whom he had five children: Antoinette A., **Andrew C.**, Louisa T., Adelaide C., and Alice S. James P. Bartle was also the first postmaster in Newark, continuing until 1840. He was the first worshipful master of **Newark Lodge No. 83**, F&AM, and the first high priest of Newark Chapter No. 1 17, R. A. M. He died 24 Jan 1863, and his wife 6 Jan 1873. Andrew C. is a member of **Newark Lodge No. 83**, F&AM, and of Chapter 117, of Newark R. A. M., also of Monroe Commandery, Rochester, No. 12, K. T., and also a member of the A. O. U. W., No. 116. First two stores for general merchandise, distillery, boat-yard, produce business and various other branches of business, and identified with village improvements, erecting churches, hotels, printing offices and building roads and bridges.

Hon. Edwin K. Burnham, was born in Randolph, VT, 8 Sep 1839, educated in the common schools and the Royalton Academy and completing his studies at the Orange County (Vt.) Grammar School. In 1862 he enlisted in **Company C., 15th Vermont Infantry**, and was at the battle of Gettysburg, being honorably discharged as sergeant in 1863. In the spring of 1864 he graduated at the Albany Law School, and was admitted to practice in the courts of the State. In June of the same year he came to Newark and entered upon the practice of his profession as a partner of James E. Briggs, a native of his own State. In September of the same year he re-enlisted into the army, and 10 Oct 1864, was commissioned captain of **Company D., 111th Regiment, N.Y. Infantry**, and went with his regiment, participating in the engagements in and around Petersburg until taken prisoner 2 Apr 1865. He was returned to his regiment April 9, the day of Lee's surrender, and honorably discharged 4 Jun 1865.

Returning to Newark he began the practice of law, and in 1872 he founded the Newark Union. In the fall of 1884 he was elected to the Legislature, and was largely instrumental in the passage of a bill establishing the Custodial Asylum for Feeble-Minded Women at Newark, which is now a flourishing State institution, and of which he is secretary and a member of the Board of Trustees. In June, 1889, he was appointed superintendent of public buildings, which position he filled with credit and honor. One of the first innovations made by him was the rule that the national flag should float from the staff of the capitol every week day through the year, which was the origin of the movement to display the flag on public school buildings. Mr. Burnham owns a half interest in the Wayne County Preserving Company at Newark, and has twenty acres devoted to fruit and vegetable growing. He has served as justice of the peace eight years and as supervisor four terms. 31 Aug 1865, he married Nancy A. Dillingham, a niece of Governor Dillingham, and of their four children one daughter died in infancy, the others are George A., Edwin D., and Helen E. Mr. Burnham is a member of Vosburgh Post No. 99, G. A. R., of which he has been commander four terms. He is also a member of **Newark Lodge No. 83, F&AM**, and also of the I. O. O. F. No. 250, of the A. O. U. W. No. 17, and of the Grange.

Richard P. Groat, of Newark, a prominent Republican leader, was appointed keeper of the almshouse and served in that office nine years. He was elected sheriff in 1870 and served one term. He was afterwards appointed internal revenue collector and served nine years. He served in the State Assembly (1889-91), was appointed postmaster of the village of Newark by President McKinley and served two terms in that office. Mr. Groat was born 29 Mar 1822, and died 27 Jul 1910, at the age of 88 years. For half a century he was one of the most intelligent, active and skillful political leaders who ever lived in the county.

May 18, 1822, a son of Jacob Groat and Jane Shufeldt was baptized at Claverack "Peter Groat". Oddly, that was the only time I've found him recorded as Peter. For the rest of his life it appears that he was officially Richard P. Groat and informally simply R. P. Groat. He is recorded as one of Wayne County's Representatives to the State Assembly (1889 - 1891) as Richard P. Groat.

"Physicians of Wayne Co."

DR. NEWELL E. LANDON. Newell E. Landon, eldest son of Zera N. Landon and Sarah ADAMS, was born March 3d, 1852, in the village of Newark. He received his education at the Newark Union School and in October, 1872, began the study of medicine with the late Dr. Charles J. POMEROY of Newark, then one of the leading physicians of Wayne County. In September, 1873, Dr. Landon entered the Medical Department of Columbia College, graduating March 1st, 1876. After a competitive examination he received a hospital appointment, but declined it, accepting instead a partnership with his preceptor, Dr. Pomeroy. This partnership continued for three years. He then opened an office in Newark and after practicing two years removed to Rochester, where he practiced one and a half years, then returned to Newark where he has since resided.

Dr. Landon married Miss Mary EATON, a teacher in the Newark Union School, January 1st, 1880. Her death occurred in 1881. One child, a son, was born, who died in infancy. Dr. Landon was again married to Miss Alice D. RUSSELL, daughter of the late Capt. L. C. Russell of Port Gibson, October 20th, 1886.

The Doctor has had for many years a large and lucrative practice. He was for seven years attending physician and surgeon to "The State Custodial Asylum for Feeble-minded Women," in Newark, till the appointment of a resident physician, since then has been the consulting physician. In 1885, he was appointed surgeon for the Penn. R. R.--N. C. Division, and has also been surgeon for the W. S. R. R. since its completion.

[Note].The death of Dr. Pomeroy seemed to leave wide open a medical gap (if I may be allowed the phrase), and as Dr. Landon was Dr. Pomeroy's attending physician, very naturally he was the one to enter and fill the same if found competent. Anyone knowing the position which Dr. Pomeroy occupied in Newark and its surrounding community cannot be ignorant of the difficulties with which one who followed him would have to contend. How well Dr. Landon has filled the "gap" one has only to feel the pulse of that community, as the writer often has, in order to know.

WILLIAM ROGERS, Junior Warden.

The officers named in the **warrant issued June 18, 1850**, were:

PHILANDER B. ROYCE, Master.

JOHN COTTRELL, Senior Warden.

HOSEA STRAIT, Junior Warden.

The warrant issued June 2, 1880, names as officers:

T. SCOTT LEDYARD, Master.

JOHN A. LANG, Senior Warden.

JOHN P. BENNETT, Junior Warden.

The original petition on file in the office of the Grand Secretary is dated Putneyville July 7, 1810, and is signed by the following:

Jacob W. Hallett. Timothy Smith.

William Rogers, Jr. Thaddeus Martin.

Elisha Wood. Russell Whipple.

James T. Seely. Freeman Hopkins.

Peter Thatcher. Samuel Ledyard.

Eleazar Fairbanks. Walter Waters.

Zadok Higgins.

The petition has the following endorsement. "Read in Grand Lodge 5th June. 5811, and referred to the officers of the Grand Lodge."

On December 7, 1811, M.'. W.'. DEWITT CLINTON, Grand Master, issued a dispensation directing W.'. A. ENSWORTH of Mount Moriah Lodge to institute Putneyville Lodge and install its officers. For some unknown reason this was not done until December 12, 1812. When the Lodge was instituted and the following officers installed by W.'. Bro. ENSWORTH:

JACOB W. HALLETT, Master.

TIMOTHY SMITH, Senior Warden.

WILLIAM ROGERS, JR., Junior Warden.

JAMES T. SEELY, Treasurer.

SAMUEL LEDYARD, Secretary.

JOHN LAMBERT, Senior Deacon.

ELISHA WOOD, Junior Deacon.

RUSSELL WHIPPLE, Steward.

WALTER WATERS, Tiler.

The Lodge appears to have thrived for a few years, and in all probability it would have continued to flourish had it not been for the anti-Masonic crusade. The **last returns on file, dated December 27, 1825**, gives a membership of thirty.

So far as can be learned from the meagre data in existence, it seems that after the close of the year 1825 the Lodge met at infrequent intervals, but **elected its officers regularly until December 26, 1833**. There is no record of any meetings held after this date. The last officers were:

HOSEA GAGE, Master.

PHILANDER B. ROYCE, Senior Warden.

JEREMIAH B. SELBY, Junior Warden.

Attached to the report of this election is a note signed by Andrew Cornwall, in which he says: "I would remark that on account of the prevalence of anti-Masonry said Lodge has omitted to meet except to attend to the annual election of officers . . . yet we have a faithful few and wish to ingratiate peace. We live in the infected district, and wish to be prudent to preserve said peace." In common with many other Lodges during this troublesome period, its effort to "ingratiate peace" failed, and it ceased to meet until the passions of blind prejudice had spent their force: consequently for almost seventeen years Masonry slumbered in that community.

The Lodge originally and for many years was located at Putneyville. Shortly after its revival in 1850 a change in location was considered. At a session of the Grand Lodge held **June 6, 1856**, a report made by the Committee on Warrants contained the following:

"A **petition was received from Putneyville Lodge, No. 159, asking for a change in its place of meeting from Putneyville to the village of Williamson**, which your committee recommend should be granted."

For some reason no further action was taken toward making a change at that time. On October 15, 1872, M.'. W.'. CHRISTOPHER G. Fox Grand Master, gave the Lodge permission to remove to Williamson subject to the approval of the Grand Lodge, and on June 5, 1873, a resolution was adopted by the Grand Lodge permitting its removal, and it has since been located at Williamson.

It held "Jubilee" services April 24, 1889. It was represented at the laying of the corner-stone of the Home at Utica. May 21, 1891.

Orlando Austin, was born in Williamson, 3 Apr 1826, a son of Pasqua and Margaret (DAVIS), natives of Washington County. The grandfather of our subject was Pasqua Austin, a native of Rhode Island born in 1765, who came to Williamson about 1771, and died in 1834. The father of our subject came to Williamson in 1824, and bought part of the farm now owned by Orlando, to which he added later, retiring from active life at the age of 65. He died in 1886 and his wife in 1876. Orlando was reared on the farm and lived at home until the age of thirty. He then went to Iowa and superintended railroad work for a time, and then went to Wisconsin for a short time; thence to Chicago in 1856, when he invested in real estate. In 1858 he returned to this town, and three years later engaged as traveling salesman for nursery stock. Six years later he went west and engaged in the nursery business with Frank Norris, of Brighton, selling out to him after one year, and going to Iowa, where he engaged in the forest tree nursery business for four years. In 1876 he came to Williamson and married (1877) Clarissa M. BARKER of Pittsford. They resided in Pittsford five years. He then engaged in the real estate business in Rochester two years, afterwards traveling in the interest of a soda and baking powder house for a year. He then returned to Williamson and bought the homestead, where he has since lived. The place consists of 100 acres of fine land, on which he has made many improvements. He is member of **Pultneyville Lodge, No. 159**, F&AM. Mr. and Mrs. Austin had one daughter, Lula C.

Jane died before 1833 in Wayne County, NY. He married second Electa Ann Hodges, born 1809 in Onondaga, NY. They had a son, William Gage, born in 1834.

Jeremiah Selby, father of Jeremiah B. Shelby, was born in East Haddam. 9 Dec 1745, there married Sarah Cone, a daughter of Daniel or Jared Cone, there seeming to be some conflicting evidence on this point. In 1807 he migrated to New York State, making the removal with teams, it having been long before the day of railroads, and settled in Wayne County, at Sodus Bay, where both he and his wife spent the remainder of their lives. He died 15 Sep 1811 in Pulneyville, NY, and is buried in the Lakeview Cemetery, Williamson, NY.

Palmyra Lodge No. 248, Palmyra, New York

WARRANT: The warrant in possession of the Lodge is dated March 8, 1852.

The name or number has never been changed.

MINUTES: Intact.

Palmyra Lodge was organized in the month of July, 1851: on the 26th of that month a petition was prepared and signed by the following:

Elijah Ennis.
A. G. Myrick.
Charles Hudson.

Frederick U. Sheffield.
Thomas Robinson.
Samuel Sawyer.
William Pennel.

Samuel D. Huntington.
Isaac E. Beecher.
James P. Shoecraft.
J. L. Dewey.

The petition nominated as officers:

CHARLES HUDSON, Master.
FREDERICK U. SHEFFIELD, Senior Warden.
ELIJAH ENNIS, Junior Warden.

A dispensation was issued on August 13, 1851, and on Wednesday evening, September 10, the first regular meeting was held with the following as officers:

CHARLES HUDSON, Master.
JOHN DAGGETT, Senior Warden.
ELIJAH ENNIS, Junior Warden.
S. BALDWIN, Secretary.
SAMUEL D. HUNTINGTON, Tiler.

In addition to the above there were present at this meeting Samuel Sawyer, Julius L. Dewey and John C. Calhoun.

The dispensation was read and the Lodge was duly opened. A committee was appointed to draft a code of By-Laws and another committee to negotiate with Wayne Lodge I. O. O. F., for the use of its hall for future meetings. Petitions for degrees were received from John A. Hudson, William B. Crandall and Thomas Douglass.

Crandall and Douglass received the first degree two weeks later.

The warrant named as officers:

CHARLES HUDSON, Master.
ELIJAH ENNIS, Senior Warden.
JOHN C. CALHOUN, Junior Warden.

The first meeting under the warrant was held March 24, 1852, when the Lodge was constituted and the following officers installed by Wor.'. JOHN DAGGETT, Master of Newark Lodge. No. 83:

CHARLES HUDSON, Master.
ELIJAH ENNIS, Senior Warden.
JOHN C. CALHOUN, Junior Warden.
ALBERT O. MYRICK, Treasurer.
THOMAS ROBINSON, Secretary.
JAMES P. SHOECRAFT, Senior Deacon.
JOHN A. HUDSON, Junior Deacon.
SAMUEL D. HUNTINGTON, Tiler.

All three degrees were conferred at this meeting.

The first meeting place of the Lodge was in Odd Fellows' Hall on the third floor of what was for many years known as the Foster and Smith block, the rent was \$30.00 per year including wood and oil for heat and light.

The Lodge remained in these quarters until 1870, when it moved into its present quarters in the building owned by George W. Cuyler. The rooms were fitted and furnished by the Lodge, and on June 3, 1870, were dedicated by M.'. W.'. GEORGE O. BAKER, who at the time was District Deputy Grand Master of the Eighteenth Masonic District (now the Thirty-second District). The event was a notable one in the life of the Lodge, a procession was formed with Zenobia and Geneva Commanderies of Knights Templar acting as escort; the Lodge and its guests paraded the streets of the village. The District Deputy Grand Master says in his report: "I was assisted by R.'. W.'. and Rev. John G. Webster, Grand Chaplain; R.'. W.'. Aaron Griswold of Clyde Lodge; W.'. Bro. Wright of Weedsport Lodge; W. T. Scott Ledyard of Pultneyville Lodge and Brethren of various Lodges." An address was delivered by the Grand Chaplain.

At the conclusion of the dedicatory exercises the wife of the Grand Chaplain, in behalf of the wives, daughters and sisters of the members of the Lodge presented to the Lodge "The Three Great Lights in Masonry." This came as a great surprise, as the ladies had kept the presentation a profound secret.

A few days after this event R.'. W.'. BRO. WEBSTER presented an Altar to the Lodge, the same being his personal handiwork.

A beautiful custom of the Lodge is to present a copy of the Holy Bible to each candidate when raised. Each copy is suitably inscribed with the name of the candidate and date upon which he became a Freemason.

An incident which occurred on April 22, 1863, clearly shows that in one instance at least this custom was appreciated. A letter was received by the Lodge from one of its members asking the Lodge to replace the Bible he had received when a Mason, and which had been taken from him while a prisoner of war at Mumfordsville, Ky. His request was promptly complied with.

Of the charter members of Palmyra Lodge, Charles Hudson, Samuel D. Huntington, Samuel Sawyer and Frederick U. Sheffield were members of **Mount Moriah Lodge, No. 112**, and Truman Hemingway and Pomeroy Tucker, also members of this Lodge, affiliated with Palmyra Lodge shortly after it was organized, thus constituting a connecting link between these Lodges.

At a session of the Grand Lodge, held June 1, 1803, a petition was presented asking for a warrant for Mount Moriah Lodge. This petition was signed by the following:

Pearley Phillips.	Azel Ensworth.
Asa Lilly.	Timothy Smith.
John Swift.	Gain Robinson.
Joel Pressed.	Seth Deane.
Philetus Swift.	William Burnet.

The petitioners set forth that " they were inhabitants of the towns of Palmyra and of Phelps, residing at a distance of fifteen to twenty miles from any Masonic Lodge, and humbly pray your worships to grant us a charter by the name and style of Mount Moriah Lodge, with all the powers and privileges which other Lodges in this State have and enjoy, with this particular privilege, to wit, the right of convening the Lodge alternately at the Town of Palmyra and the Town of Phelps, or if the same be by your worships deemed improper then your petitioners pray a charter appointing their Lodge to be held at the Town of Palmyra only."

The petition nominated as officers:

PEARLEY PHILLIPS, Master.
AZEL ENSWORTH, Senior Warden.
TIMOTHY SMITH, Junior Warden.

The petition was **recommended by Ontario Lodge, No. 23**, of Canandaigua at a meeting held December 25. 1802.

The petition met with favor, and on **June 9. 1804, a warrant was issued** with the special privilege asked for, and it continued to meet alternately at Palmyra and Phelps until 1807. On March 6, a petition was prepared asking permission to meet at Palmyra only and endorsed upon it is the following:

"The prayer of the above petitioners appears to be reasonable, and I recommend the granting of it. Dewitt Clinton, 2 June, 1807."

The petition was granted by the Grand Lodge September 2, 1807, and the Lodge met thereafter at Palmyra only.

Among the old papers relating to this Lodge on file is the following bill:

R.' W.'. GRAND LODGE, STATE OF N. YORK.

To Asa Stanley, Dr.

For attendance at the Annual Communication as proxy for Mount Moriah Lodge, No. 112.

6 days at \$1.50	\$9.00
358/716 miles travel	
17J days	<u>26.25</u>
	\$35.25

New York 11 June 1821.

Rec'd Pay't.

ASA STANLEY.

A mutilated copy of the minutes of this Lodge was rescued from a second-hand book store by R.' W.'. GEORGE MCGOWN and presented to the Lodge. These old records contain the proceedings of the Lodge from July 9, 1804, to December 6, 1824.

On March 4, 1811, the Lodge adopted the following:

"RESOLVED, That in the future every candidate for Freemasonry be presented with the sacred writings at his initiation into the first degree of Freemasonry."

This custom prompted the adoption of a similar custom by Palmyra Lodge, the only difference being that in the old Lodge the presentation was made at initiation, while in Palmyra Lodge it is done when the candidate receives his third degree.

The last recorded meeting of Mount Moriah Lodge was held December 6, 1824, but subsequent meetings must have been held as among the returns of the Lodge on file in the office of the Grand Secretary is one dated June 1, 1831. It may be assumed that, owing to the intense and bitter persecutions occasioned by the Morgan Episode, the Lodge met occasionally, but made no record of its proceedings. The warrant was declared **forfeited by the Grand Lodge, June 4, 1835**.

On April 24, 1889, Palmyra Lodge held "Jubilee" services in celebration of the payment of the "Great Debt." On this occasion addresses were made by W.' EDWIN B. ANDERSON, W.' MARK G. FINLEY, R.' W.'. GEORGE MCGOWN and R.' W.'. S. NELSON SAWYER.

The Lodge was represented at the laying of the corner-stone of the Public Library at Newark, NY, October 17, 1900; the laying of the corner-stone of the Home at Utica, NY, May 21, 1891, and also participated in a reception given to the members of Company B, 33d Regiment, N. Y. S. V., upon their return from war May 20, 1863.

Palmyra Lodge has had an unbroken existence, and among its members are several who have gained distinction as

Pliny Titus Sexton (1840-1924)

There had been written in that book at the time of its compilation the statement that the book would be received by many people. Joseph Smith didn't eliminate that statement when it came to publication. When the people said, "We'll not read it," he did not take it out and say, "Well, I can't fulfill this." If he had been writing the book himself, he probably would have changed the script, but it was not his script, and so it went to the world. I was present a few years ago when the Smith farm near the Hill Cumorah was purchased, and as I went through the neighborhood I found only one copy of the Book of Mormon. That was owned by a man named **Pliny T. Sexton**, who was chancellor of the University of New York and the banker at Palmyra. He had a copy of the first edition of the Book of Mormon as it came from the press. The leaves had never been cut, and he kept it in the safe in the bank. I asked him, "Is there any place here where I can find another copy of the Book of Mormon?" He said, "I do not know." I then began to inquire among the people and found that the people of Palmyra had kept their word. They had neither bought nor would they read it. At that time Palmyra was a village and is still a village, but the Book of Mormon that was discredited then has since been read and accepted by people in all parts of the earth, people from many nations, numbering hundreds of thousands . . .

< In this photograph is Lucy Woodruff Smith standing on top of the Hill Cumorah with **Pliny T. Sexton**, who was the owner of most of the hill. The Mormon Church eventually acquired all of the property around the Hill Cumorah, including the hill, by 1928.

Frederick Winter Griffith, Republican, who represents Wayne county in the Assembly, was born in the town of Phelps, Ontario county, 17 Dec 1858. His boyhood days were passed on the farm and in the district school. His preparatory education was obtained in the Phelps Union and Classical School. For five years he worked at newspaper work with his uncle, the editor of the Geneva Courier. Mr. Griffith entered Hamilton College in 1882, and was graduated with high standing in the class of 1886, receiving the degree of Bachelor of Arts. He is a member of the scholarship society of Phi Beta Kappa. His education was secured through his own efforts. After graduation he was given the chair of Greek and Latin in Kirkland Hall, a preparatory school at Clinton, NY.

In 1889 his Alma Mater gave him the honorary degree of A. M. It was not, however, until Mr. Griffith located in Palmyra that he found his true forte; for, notwithstanding his ability as a scholar, he has still greater powers as a business man. In 1887 he associated himself with the Garlock Packing Company, manufacturing packings for steam, water and ammonia. This business has had a wonderful development, and now the firm has branch offices in New York, Chicago, Philadelphia, Denver, San Francisco, St. Louis, Pittsburg, Cleveland, Boston and other cities. The output of the firm, yearly, is very large. Mr. Griffith has held the office of Trustee of the village of Palmyra for four years, and was Supervisor of the town of Palmyra for two years, which latter office he resigned upon being elected Member of Assembly. He is an elder in the Western Presbyterian Church of Palmyra. At the election of 1899 Mr. Griffith received 4,973 votes to 3,594 cast for M. C. Taylor, Democrat. Mr. Griffith, in 1900, was appointed a member of the following Assembly Committees: Public Education, Affairs of Villages, and Charitable and Religious Societies.

Renominated in 1900 Mr. Griffith received 7,950 votes to 4,457 votes cast for Jacob E. Brasser, Democrat.

In the Assembly of 1901 Mr. Griffith was Chairman of the Committee on Public Education, and a member of the following Committees: Villages, Public Institutions. Renominated a second time in 1901 Mr. Griffith received 4,102 votes and his Democratic opponent, Frank L. Waldruft, 1,905. Speaker Nixon, in 1902, appointed Mr. Griffith a member of the following Assembly Committees: Chairman of Public Education; member of Banks and Trades and Manufactures.

GRAND LODGE OFFICERS.

John G. Webster was District Deputy Grand Master from June, 1860, until June, 1863: Grand Steward in 1862, and was Grand Chaplain from 1869 until his death, September 27, 1887. He was elected Grand Prelate of the Grand Commandery Knights Templar of the State of New York in 1859 and in 1886 he was appointed Grand Prelate of the Grand Encampment of the U. S., both of these offices he held at the time of his death. For twenty years he was Grand Chaplain of the Grand Council of Royal and Select Masters of the State of New York.

George McGown, District Deputy Grand Master. Bro. McGown was made a Mason in Wyoming Lodge, No. 492, West Chester, NY, while stationed with his regiment (2d Infantry) at Fort Schuyler. He affiliated with Palmyra Lodge July 3, 1871: was Master in 1872-73- 74-75, and its Secretary eleven years. He was appointed Grand Lecturer of the Grand Chapter R. A. M. in 1884, and still holds that office.

S. Nelson Sawyer, Grand Master. Bro. Sawyer was raised in Palmyra Lodge October 22, 1879, and was Master in 1887-88. He was District Deputy Grand Master in 1889-90-91: Commissioner of Appeals. 1892-93-94-96-97 and 1900: Junior Grand Warden, 1901: Senior Grand Warden, 1902-03-04-05 : Deputy Grand Master, 1906-07; Grand Master, 1908-09.

Walcott Lodge No. 560, Walcott, New York

<http://wayne.nygenweb.net/families/cowlessketches1.html>

Anson Sprague Wood, was born in Camillus, Onondaga, NY, 2 Oct 1834. His father, Alvin, was of English ancestry, and his mother, Fanny Woodworth, of New England descent. Early in the forties Alvin Wood removed with his family to Butler, Wayne county, where he continued to reside until his death in 1874. Anson S. was the youngest of a large family of children, three others of whom are still living and residents of Wayne county: Mary, wife of William FOWLER; Frances, wife of Christopher C. CAYWOOD, of Butler; and Benham S. Wood, of Wolcott.

Anson S. Wood was educated in the district schools, and also attended the Red Creek Union Seminary. In 1853 he began the study of law in Syracuse, which he continued in Clyde in the office of C. D. LAWTON, and afterwards of Judge L. S. KETCHUM. In the winter of 1854 he engaged in teaching. In the fall of 1855 he attended the Albany Law School, and was admitted to the bar in December of that year. During the early part of 1856 he resided at South Butler, and was elected town supervisor of common schools. In July, 1856, he removed to Lyons, where he formed a co-partnership with Hon. William Clark. He continued to practice law in company with Mr. Clark and Hon. Dewitt Parshall until September, 1862, in the meantime (1858-1859) serving two years as town clerk of the town on Lyons.

In the fall of 1862 he responded to the call for volunteers to defend the Union, and was commissioned as first lieutenant in the **138th N.Y. Volunteer Infantry**, afterwards known as the **9th N. Y. Heavy Artillery**. After the regiment reached Washington Lieutenant Wood was assigned to duty as adjutant. In June, 1863, he was promoted to a captaincy and detailed to duty at the draft rendezvous at Elmira, NY, and was for some time assistant adjutant-general at that post. In May, 1864, at his own request, he was returned to his regiment and to the command of his company. He was engaged in the battles of Cold Harbor, Petersburg, Monocacy, Winchester, and Fisher's Hill. In October, 1864, he was placed on the staff of General J. B. Ricketts, who commanded the third division of the famous Sixth Corps. General Ricketts was severely wounded at the battle of Cold Harbor, and was succeeded in command by Gen. Truman Seymour, with whom Captain Wood continued as judge advocate of the division. In February, 1865, he was promoted to major of his regiment, and as such participated in the taking of Petersburg and the capture of Lee's army. For meritorious service before Petersburg he was brevetted lieutenant-colonel. The regiment was mustered out in May, 1865, when Colonel Wood returned to Wayne county, purchasing a farm in Butler.

In 1866 he was elected supervisor of that town. In 1867 he became assistant assessor of the United States Internal Revenue, a position which he resigned in the fall of 1869 to accept the Republican nomination for member of assembly from the first district of Wayne county. In the meantime he had removed to Wolcott and resumed the practice of law. Colonel Wood was elected to Assembly that fall, and re-elected the following year. 1 Jan 1872, he was appointed deputy secretary of state under G. Hilton Scribner, holding the office two years, when he again returned to his home at Wolcott and his law practice. In 1879 Gen. Joseph B. Carr was elected secretary of state, and he called Colonel Wood back to Albany to his former desk as deputy secretary, where he continued six years. In 1883 he was one of the secretaries of the Republican State Committee. In 1885 Colonel Wood was the unanimous nominee of the Republican State Convention for secretary of state, but was defeated with the rest of the Republican ticket. He remained in Albany for over a year engaged in the practice of law, when he again returned to Wayne county, taking up his residence at Wood's Island, Port Bay, in the town of Huron, and resuming his law practice at Wolcott, which he has continued since. At present he is associated with Hon. George S. Horton.

Colonel Wood, in addition to the other public positions, has filled the office of president of the village of Wolcott, trustee of the Wolcott Union Free School, justice of the peace, and supervisor of the town of Huron. He was the moving spirit in the organization of the William Dutton Post No. 55, G. A. R., at Wolcott (subsequently changed to Keesler Post No. 55), of which he has been commander several terms. He has also served as assistant quartermaster-general of the G. A. R., department of New York, and has been a member for many years of **Walcott Lodge No. 560**, F. & A.M. Colonel Wood has been repeatedly a delegate to Republican State Conventions, and his services as a speaker have long been in great demand in political campaigns. He has spoken in every county in this State, and has been called upon by the National and State Committees to make speaking tours of Maine, Massachusetts, Vermont, Indiana, Michigan, Minnesota, Wisconsin and Iowa.

In 1858 Colonel Wood married Martha Louise VICKY, of Youngstown, Niagara county. Mr. and Mrs. Wood have two children living William Clark Wood, M.D., and Robert Alvin. Dr. Wood is a graduate of the Albany Medical College (1880), and is a successful

practitioner at Gloversville, NY. Robert A. is a graduate of Union College (1881), a lawyer and newspaper contributor, and resides at Albany.

SECRET SOCIETIES - FREE AND ACCEPTED MASONS

The first lodge of Free and Accepted Masons in what is now Wayne county, was organized in 1811, as **Pultneyville Lodge No. 159**. It continued work with a fair degree of prosperity until the Morgan anti-Masonic warfare swept over this State, when it succumbed. It was reorganized after 1850 under the same name, with Philander B. Royce, master. Its meetings were continued there until 1872, when the lodge and its property were removed to Williamson village, where it has since remained. At the time of its organization it had only seven members; it now has twenty-seven, and the following principal officers for 1894: John E. Tufts, WM; Mortimer P. Tufts, SW; Arthur Shipley, JW; George F. Cheetham, treasurer; Wilham Pound, secretary.

Humanity Lodge, No. 283. F&AM — 14 Aug 1817 (first meeting); surrendered in 1832. This was one of the more conspicuous of the early Masonic lodges of Wayne and its roll of membership embraces many names of early citizens and others down to recent years, who were prominent in the community in many ways. Preliminary to the ceremony of installation in the old lodge a meeting of those interested met in a building owned by Moses Hurlbert on 14 Aug 1817. Here a procession was formed which marched to the Methodist meeting-house where a discourse was delivered by Brother Farley, following which Humanity Lodge was duly installed with its officers, by Philetus Swift, D. G. M., assisted by others of the Grand Lodge.

The following were the first officers of this lodge: Ezra Jewell, WM; David June, SW; Gabriel Rogers, JW; Josiah Wright, treasurer; Hiram Payne, secretary; Henry Seymour, SD; William Stills, JD; Peter Eisenlord and Oliver Granger, stewards; Samuel Davis, tyler.

The first persons initiated by this lodge were Jacob Leach, and Moses B. Hurlburt. The committee to prepare by-laws were H. Payne, Ezra Jewell, and Gabriel Rogers. The following is a nearly complete list of those who signed the by-laws during the life of the lodge, and is of interest as naming many of the leading citizens of that day:

The last recorded meeting of old Humanity Lodge took place 8 Apr 1834, and doubtless the wave of anti-Masonry caused the surrender of the charter.

Humanity Lodge No. 406, was instituted in May, 1856, under dispensation from the Grand Lodge at Odd Fellows Hall, Lyons, with fourteen charter members as follows:

William H. Sisson, Henry Graham, Jr., Southard Lewis, J. Welling, Daniel Ford, Zebulon Moore, John Gilbert, Daniel R. Rozell, Newell Taft, Ziba Lane, Darius H. Denton, and A. I. Van Camp.

The lodge began work in a chamber in Sylvester Clark's storehouse, 15 Oct 1833, and continued in prosperity until 1836, when with a membership of 66, it was persecuted and driven from place to place under the Morgan excitement, finally settling in the ball room of the Clyde Hotel on 26 Jan 1831. There a few of the faithful continued to meet until 15 Feb 1833, when it was determined to suspend work until the excitement subsided. The officers at that time were: John Condit, WM; Thomas J. Whiting, SD; A. Pendleton, JD; Samuel M. Welch, tiler; Arza Lewis, treasurer.

Clyde Lodge, F. & A. M., No. 341, was organized in 1854, and succeeded to the jewels, furniture, etc., of the old Galen Lodge. The petitioners for the warrant were:

John Condit,	Joseph Welling,	Aaron Griswold,	William G. T. Elliott,
Joseph Watson,	William C. Ely,	S. J. Childs,	John J. Dickson.

The warrant is dated 6 Jul 1854, at which time John Condit was appointed WM; Joseph Watson, SW; Joseph Welling, JW. This lodge has always prospered, and now has 91 members.

Newark Lodge No. 83, F. & A. M., was chartered 5 Jun 1834. James P. Bartle was the first master; Theodore Partridge, SW; J. C. Roberts, JW. The anti-Masonic war affected this lodge seriously, and in March, 1827, nine out of fifteen members present at a meeting voted to surrender the charter. Of the \$100 then on hand the lodge gave \$35 to the Methodist Society of the place, and \$25 to the Presbyterian Society; the remaining \$50 was given to the American Bible Society. In 1838 the Grand Lodge was asked to return their warrant, and the request was granted. AMOS CASE - Nashua Reporter - 2 Feb 1899

At Rest - At his home in Nashua, Monday morning, after weeks of failing strength, caused from heart trouble, Amos Case quietly passed into that mysterious future existence which mortal mind is powerless to penetrate.

Amos Case was born in Sodus, Wayne, NY, 61 years ago. After his marriage he spent the greater part of his early life at Oswego and New York City. At the latter place he occupied an office on Broadway, and enjoyed a lucrative position with the Mutual Life Insurance Company, by whom he was considered a man of very superior ability.

In 1880 he moved to Nashua, and for twelve years acted as cashier in the bank owned and operated by his brother, A. G. Case, of Charles City. After leaving this business he took up insurance business exclusively, and devoted himself to it until failing health a few months ago, forced him to lay aside his business responsibility.

During his life Mr. Case was one of the most active lodge men in the communities in which he lived. He was a member of the Masonic order, the Knight Templar's, the Knights of Pythias, and the Modern Woodmen, in all of which he occupied positions of honor, and was an acknowledged leader because of his superior knowledge of the precepts and workings of the orders.

Nature endowed the deceased with an abundance of natural ability, and this added to a careful and thorough education, gave him a splendid equipment for the battle of life. In his nature he was a genial, whole-souled, generous man, gifted with a keen sense of humor and a natural antipathy for all shams and pretenses. Among his companions he was congenial and entertaining, and in his home he was the soul of hospitality and good fellowship. Tho his family he was a kind, devoted husband and father, who performed with willing hands any act of kindness that would contribute pleasure to his loved ones. In his love for beautiful surroundings he was tireless in his efforts to make their home one of exceptional attractiveness and beauty. He was a true friend, an obliging neighbor, and a man whose familiar face will be missed, and whose death causes sincere regret among his old associates, who have known him intimately during the long years of his residence here.

Mr. Case leaves a devoted wife, whose constant and tender care during his long illness was a beautiful tribute of a loyalty and love. Two daughters, Mrs. C. Flint, of Chicago, and Miss Carolyn R. Case, of Nashua, remain to brighten the life of their gentle mother and cherish fond recollections of him whose earth life is now but a memory. The interment took place at Oak Hill.

H. E. Van Der Veer - The subject of this sketch is of Holland descent and traces the genealogy of his family for seven generations to Cornelius Jan Van Der Veer, who emigrated in the ship *Otter* in the spring of 1659 from the province of Alkmeer, Holland, and settled in Flatbush, Kings county, NY, and was the ancestor of the Van Der Veer family of New Jersey and Long Island. The grandfather of our subject was Garrett Van Der Veer, a native of New Jersey, born in 1765, who married Rachael COVENHOVEN, a native of Monmouth county, NJ, on whose father's farm the battle of Monmouth, of Revolutionary fame, was fought, when she, with others of the family, offered their help by furnishing water, and other offers of kindness during the battle and after it was over. Garrett Van Der Veer, the father, was born in Montgomery county, 9 May 1813, married Mary ALLEN, who was born 4 Jun 1814, removed to Wayne county in 1847, and settled at Marion. She died 1 Dec 1890. Mr. Van Der Veer has devoted much of his time in later years to the manufacture of machines of his own invention, for packing evaporated apples. He also kept a temperance hotel at Marion for several years.

Henry E. Van Der Veer, the only child, was born in Montgomery county, 27 Apr 1843, was reared in the village of Marion, where he received his education at the Marion Collegiate Institute. At an early age he commenced business as clerk for R. & J. B. REEVES, which he followed in that place and Palmyra. He was also clerk during the war in the commissary department at Fort Gibson, Indian Territory, and also traded and acted as clerk for Indian traders in Southern Kansas and Indian Territory. In 1866 he returned to Marion and engaged in the drug business for himself. In 1873 he removed to Ontario, where he has since conducted a successful business. He is a Democrat, and was appointed postmaster in 1893. He is a member of **Wayne Lodge No. 416**, F&AM, also of Cyrene Tent No. 203, K.O.T.M., in both of which he holds positions of honor. 22 Feb 1870, he married Annette L., d/o Jonathan and Clarissa (JENNINGS) PRATT, who were among the first settlers of the town of Williamson. Mr. Pratt settled in the northwest corner of the town of Williamson in 1811, where he became one of the largest land owners in the town. They reared a large family and the oldest son, Aaron W., was the second male white child born in Williamson. In 1841 he sailed on a whaling ship under Captain ROISE and was on board the ship that first discovered the northwest whaling grounds. Another son, William W., was a whaler and

merchant man for forty years. Of a large family that grew to maturity, none remained on the land for which their ancestors endured the vicissitudes of pioneer life.
